Online Payments for Student Activities, ASB, and Fees

Central Kitsap School District has an online payment system. The system will enable parents to go online and pay for some student items such as yearbook, ASB Card, fines and other fees. It will also allow parents to view the history of a student's activity in these areas. There will be a transaction fee of \$ 1.75. To use this system you will need your student ID number as the login and the student last name as the password and access via the website link indicated below: The website is <https://touchbase.cksd.wednet.edu>. (PLEASE NOTE: This system doesn't allow for payment of student breakfast and lunch items. There is a separate system for these payments which can be found on the District website)
